

Taiwan Experience Education Program

Study abroad in Taiwan! The Taiwan Experience Education Program (TEEP) provides students with access to universities and colleges in Taiwan for a short-term professional internship. Cerritos College students and alumni will serve as teacher's aides and teach English at elementary schools across the region. Students can also take courses offered by Taipei University. TEEP includes home-stay lodging with a host family, free Chinese language lessons, cultural classes and local trips, and more.

Student Program Options

- A four-month internship program in Taipei City, OR
- Three to five-week long summer programs in New Taipei, Tainan, or Hualien City.
- Cerritos College supports TEEP program with administrative and financial support.
- Participating students can receive a \$500 reimbursement for their airline ticket.
